Dear Shri Rakesh Gupta ji,

Greetings from CCRT !

Please refer to your letter dated February 20, 2023 regarding the partnership of CCRT for facilitating in the evaluation and certification of Cultural Digital Classes to be held for international students in collaboration with ICCR.

As you are aware that CCRT is implementing all the scholarships and fellowships schemes of Ministry of Culture which involves evaluation of students learning various performing, visual and literary art forms throughout the country. The Evaluation Committees consisting of eminent educationists, erudite scholars and prominent artists have been constituted at the national and regional level to undertake this mega exercise for the age group of 10 to 80 years.

As regards the certification is concerned, CCRT is issuing certificates on completion of Cultural Talent Search Scholarship (CTSS) Scheme in all the three art forms, which has been duly recognized by all the educational and professional Universities for admissions under the category of Cultural Quota as well as for recruitment in various Govt. Departments under the Cultural Quota Scheme. It is pertinent to mention here that Indira Gandhi National Open University (IGNOU) has also signed a MoU to launch a Certification Course in performing arts in collaboration with CCRT for which practical training and evaluation will be done by CCRT and certification will be done jointly by IGNOU and CCRT.

As Routes2Roots is a technical partner in all the digital, online and virtually interactive training programmes of CCRT vis-à-vis a MoU has also been signed between CCRT and R2R for cooperation at national and international level, CCRT will be pleased to provide any kind of facilitation in the judgment of students and jointly issuing the certificate to the participating international students in collaboration with ICCR.

Yours sincerely,

sd/-
